

SCIENCE SCHOLARS CAMP

HIGH SCHOOL STUDENT

Think you might be interested in a career in science, technology, or engineering?
Not sure of your options?

Apply to **SCIENCE SCHOLARS CAMP, June 28-30, 2023** at Mississippi State University and explore some of your options. You will learn first-hand from scientists about natural and agricultural sciences and technologies, food science and health promotion, biomedical engineering, and more. Experience college life by staying in a residence hall, eating in campus dining facilities, and learning in classrooms, labs and field sites.

Registration is free and travel support will be provided to accepted students. A refundable application fee of \$25 is required and will be returned upon arrival to campus; cancellations will result in loss of the application fee.

To apply, complete the application on the back and return with the application fee (check/money order) to Leslie.Burger@msstate.edu by 6-1-23.

For more information, contact Dr. Leslie Burger at Leslie.Burger@msstate.edu; 662.325.6686
